A background image featuring a grid of various people's faces, mostly with surprised or expressive expressions. A diagonal line, possibly representing a ramp or a path, runs from the bottom left towards the upper right, passing through the grid of faces.

We are a project-oriented society. Many of our lives are project driven.

What is Project-Based Learning

Project-Based Learning or PBL is a learner-centered method of teaching where students face a problem, often work together to find answers, and develop a solution.

What are the Benefits of PBL?

Share your ideas!

What are the Benefits of PBL?

- More engaging than traditional lessons where students are concentrating on real-world tasks.
- Studies indicate that it improves learning.
- Builds success skills beyond language skills.
- Addresses standards.
- Provides opportunities for research.
- Can give authentic opportunities to use technology.

What are the Benefits of PBL?

4Cs of 21st Century Skills:

- **C**ommunication
- **C**ritical Thinking
- **C**reative Thinking
- **C**ollaboration

PBL & Standards?

"Project-based instruction is particularly well suited to addressing more rigorous standards ... which call for writing for different tasks, purposes, and audiences.

Project-based instruction also provides ways for teachers to address the skills identified as in demand for work and citizenship, such as those outlined by the Partnership for 21st-Century Skills, as it provides lots of opportunities for students to problem solve, collaborate, and think creatively." (Duke, 2015)

Team Projects & Your Curriculum

Team Projects, first introduced in ***Stand Out***, are:

- Applications of unit objectives
- Task-based activities with a product
- Activities that generate teamwork

Food and Nutrition

What might be the objectives for this *Beginning High* Unit?

Share your ideas!

STAND OUT Third Edition

Food and Nutrition

Elementary schoolchildren make healthy choices.

UNIT OUTCOMES

- ☐ Read a menu
- ☐ Make a shopping list
- ☐ Locate items in a supermarket
- ☐ Identify healthy foods
- ☐ Read recipes

Look at the photo and answer the questions.

1. What food can you see?
2. Where can you find this food in a supermarket?

Unit 3 Food and Nutrition Book 2

- Read a menu
- Make a shopping list
- Locate items in a supermarket
- Identify healthy foods
- Read recipes

Unit 3 Food and Nutrition Book 2

LESSON 4 A healthy diet

GOAL Identify healthy foods

A. Close your books and listen. Then, read about nutrition and discuss the paragraph with the class.

Nutrition means the food we eat and how much we eat of each food group. Good nutrition is important. When we eat good food, our bodies are stronger and we stay healthy. MyPlate is a guide that helps us choose the best foods for a balanced diet. It is healthy to eat food from each of the main food groups.

B. INTERPRET Look at the MyPlate nutrition guide. What foods can you put into the different groups?

C. CLASSIFY Write nutritious foods for each category.

Grains	Vegetables	Fruits	Protein	Dairy

LESSON 5 Following instructions

GOAL Read recipes

A. INTERPRET Read the recipe.

Spaghetti and Meatballs

Instructions:

1. Cook the pasta according to package directions.
2. Combine the eggs, chopped onion, salt, and pepper in a large bowl. Add the beef and mix well.
3. Shape the mixture into approximately 48 balls and fry until cooked.
4. Heat the tomato sauce for 10 minutes on medium heat.
5. Add the meatballs and simmer for 15 minutes. Then, add to pasta and serve.

Ingredients:

- 2 jars of tomato sauce
- 2 eggs
- 1 onion
- 1 package of spaghetti
- 2 pounds of ground beef
- salt
- pepper

Serves 6 people

HOW MUCH? / HOW MANY?

What are Team Projects in *Stand Out*?

Students will apply all that they have learned in the unit by developing a team project using task-based activities that generate collaboration, negotiation, and teamwork producing a product.

In this project, you will plan a family menu. You are a family of four or five people. You have \$150 to spend on food for the next week. What can you make for breakfast, lunch, and dinner? Make a menu and go shopping.

1. **COLLABORATE** Form a team of four or five students. In your team, you need:

Position	Job description	Student name
Student 1: Team Leader	Check that everyone speaks English. Check that everyone participates.	
Student 2: Chef	Plan meals for the family with help from the team.	
Student 3: Shopper	Write a shopping list for the family with help from the team.	
Students 4/5: Spokespeople	Prepare a class presentation with help from the team.	

2. Choose a name for your family.

3. Fill in a calendar with your meal plans for breakfast, lunch, and dinner for one week.

4. Make a shopping list. How much of each item do you need? Estimate the prices of the items on your list. Make sure the total is under \$150.

5. Write a recipe for one of your meals.

6. Make a family presentation to the class. Tell the class about the meals on your menu. How much money will you spend? How much money will be left? What can you do with the money that will be left over?

Meal planning is very important. Eating leftover food for lunch the following day can help save money.

Scaffolding (ELP 7) leads to team projects where students apply what they have learned and extend learning.

Students do research on the internet reading authentic texts.

Students use technology (ELP/CCR).

Students learn interpersonal skills (CCR).

Students do digital presentations (ELP/CCR).

Steps to Team Projects

1) Set the stage.

- Give an overview
- Show examples
- Don't be too specific

Steps to Team Projects

2) Form teams.

- **Language:** Avoid same-language teams when possible
- **Level:** Form by similar level or put strong people in each team.
- **Assign Team Positions:** All team members help in every task.

Steps to Team Projects

3) Go through the steps.

- Give a few steps at a time (Avoid allowing teams to get too far ahead.).
- Have students keep minutes (agenda/minute format)
- Have each team share periodically.

Family Menu

Your family has no food in the house. You only have tap water. Make a menu for the week.
